This fan-fiction article, **Grewer Magical Academy**, was written by [Witcher190](#). Please do not edit this fiction without the writer's permission.

The **Grewer Magical Academy** is a magical academy, located in the [Vinlandi](#) city of Grewer. Founded by the koviri mage Murani Grewer, one of the first sorcerers to accompany the Skelligers expeditionaries to the east.

It is said that the best student at the academy is usually the one who ends up advising both dukes. So there's a lot of competition in the school.

Similar to [Ban Ard](#) in the Northern Kingdoms. The **Grewer Magical Academy** is located in an ancient palace of non-human origin *(Although the non-human race to which it might have belonged is unknown)*

Like the [Gweision Haul](#) and unlike the academies located in the Northern Kingdoms, both boys and girls are admitted here.
